

April 10, 2023

To our Residents, Families and Staff of Roselani Place,

I wanted to update everyone on the most recent COVID cases at Roselani. We currently have no active resident or staff cases! Two rounds of testing that were conducted last week returned all negative.

Visits to Aloha Gardens can resume effective immediately. All three dining rooms will re-open for service starting tomorrow, April 11<sup>th</sup> at breakfast.

We want to express our appreciation to Jaelyn Takiguchi MPH, CHES, Epidemiological Specialist, at the Maui District Health Office.

We continue to follow the updated CDC [Interim Guidance for Managing Healthcare Personnel with SARS-CoV-2 Infection or Exposure to SARS-CoV-2 | CDC](#). And we will continue to monitor and remain vigilant regarding COVID cases in the greater Maui community as well, adjusting our testing and visitation parameters as needed.

On behalf of myself and all the staff of Roselani Place, we want to thank our residents and their families for their continued support and understanding as we continue to fight this virus in the community.

**We ask that visitors refrain from entering the community and re-schedule their visit, if someone is knowingly exposed or experiencing any flu or COVID symptoms, for the safety of all other residents and staff.**

Thank you,

*Faith Gianan*

General Manager  
Roselani Place
