To our Residents, Families and Staff of Roselani Place,

I wanted to update everyone on COVID cases at Roselani. We currently have no active resident or staff cases. Rounds of testing that were conducted, all returned negative!

We want to express our appreciation to Jaelyn Takiguchi, Epidemiological Specialist, at the Maui District Health Office.

We will continue to monitor and remain vigilant regarding COVID cases, adjusting our testing and visitation parameters as needed.

On behalf of myself and all the staff of Roselani Place, we want to thank our residents and their families for their continued support and understanding as we continue to fight this virus in the community.

Thank you,

*Faith Gianan*
