Aloha from our General Manager

I am excited the holidays are finally here and I love the Christmas traditions that we do here at Roselani Place. Our dedicated Activity Department is led by our fantastic Activity Director, Kalei Figaroa, and our amazing Activity Assistant, Leren Obispo, and our Driver, Bonnie Medeiros. Together along with Keala Dutro, our dedicated Maintenance Director, they place our Christmas décor all over our Community to get all of us into the holiday spirit. Some of our unique décor has their own story that we've had through the years and fills us with good memories of great holidays past.

Kalei, Leren and Bonnie plan to do many of our annual holiday activities that have become our tradition. Like setting up the Nativity scene and making gingerbread houses. Along with greeting carolers from the Maui community and holiday entertainment to spread the holiday cheer. Kalei also coordinates the decorating of our 6 Christmas trees throughout Roselani, our annual *Decorate Your Door Contest* for our residents and heading to the local neighborhoods to awe at their holiday lights displays.

We also have new traditions like our holiday movie showings and displaying our Roselani Elf on the Shelf. Traditions like these bring the holiday spirit alive and have us something to look forward to for this holiday season. We are looking forward to having our annual staff Christmas party and our resident and family Christmas Eve luncheon. The holidays are a time to enjoy each others company and making memories that will last a lifetime. We all deserve this time to celebrate with our loved ones and are mindful to do it safely.

So whatever holiday tradition you follow to bring your family and friends together, continue to do so and keep that tradition alive. Being present in the moment and grateful for the time we have with one another is what the holidays are all about.

On behalf of myself and all the staff at Roselani Place, we wish all of our Residents and their families a joyous and blessed holiday season!

Mahalo nui loa,
Faith Gianan

COVID News from the General Manager

Dear Residents and Families of Roselani Place,

Thankfully there is no COVID activity to report at this time. We have the ability to test those who may have been exposed and/or experiencing any symptom(s). **Please inform a Nurse, Resident Assistant or the Receptionist if you don't feel well.**

Residents, staff, visitors and guests are not required to wear face masks while in our Community. However, should we have an active staff or resident case, we encourage you to wear a face mask for your protection and for others. I also ask should one present any symptom(s) that is not COVID related, then to please wear a face mask.

Wash your hands often and please utilize the hand sanitizer stations throughout the building. When serial testing is being conducted, we encourage you to wear a face mask that covers your nose and mouth upon leaving your room and when assisted by any one of our staff members. If you are in need of a free face mask, please ask us and are made available at the Front Desk. Wearing a face mask becomes optional again when serial testing is complete and no COVID activity is present.

If someone is exposed or is experiencing COVID or flu symptoms, we strongly urge our guests to refrain from visiting and to re-schedule their visit.

Visits can be conducted daily and for any out of the facility visits, please inform us of the date, time, and approximate length of when you will be out of the facility; **at least 24-48 hours in advance of leaving**, to our Receptionist. Before leaving the facility, please sign out at the Front Desk.

Roselani Place stays committed to the well-being of our residents. Our Health Services Team also wants to remind you to wash your hands often. Please inform our team in the Med Room when you have a medical appointment. When you feel sick or ill, please press your call pendant and inform any staff member or nurse.

I am available to address any concerns or questions you may have. On behalf of myself and all the staff of Roselani Place, we want to thank our residents and their families for their continued support and understanding to keep our community safe for everyone this holiday season.

Thank you,
Faith Gianan

December

Employees of the Month

Deann Moritz and Dianne Lacaden

We want to recognize two outstanding employees in our Community. Congratulations to Deann Moritz, our Enhanced Care Coordinator, and Dianne Lacaden, our Dining Room Supervisor, for being selected as our December Employees of the Month.

They were both recognized for their continued dedication to all of our residents and their departments. Deann Moritz has been working at Roselani Place since it opened. For the last 22 years, Deann has helped hundreds of residents and their families in our Health Services Dept. She works hard to ensure coverage in her dept and covers shifts when needed. Deann has a lot of experience assisting our residents with their medical needs and supports our Director of Health Services, Venesha Rems Vasquez. Deann shared, "I enjoy working here because of our residents."

Dianne Lacaden has been working with us for 9 years. She also ensures coverage in her dept and also covers shifts when needed. Dianne oversees our dining meal services and is very knowledgeable of our residents' food preferences. She shared, "When I'm not at home with my family, I am here working. We are also a family here."

Faith shared that Deann and Dianne are the backbone of Roselani Place. She, Chef Tusi and Venesha are very appreciative of Deann and Dianne. They both work with great compassion, good work ethic and are well deserving of this recognition. Please join us in congratulating them. Mahalo Deann and Dianne for all that you do for Roselani Place!
