The Alzheimer's Association **Walk to End Alzheimer's**® Walk is the largest event to raise funds and awareness for the care, support and research efforts of the Alzheimer's Association® . It's held annually in more than 600 communities nationwide and our **Team Roselani Place** is excited to participate this year.

Currently, more than 6 million Americans are living with Alzheimer's and over 11 million family and friends provide their unpaid care. We need your help to end this devastating disease. You can make an impact with a donation or even joining our team. Your kindness and generosity truly make a difference in the fight against Alzheimer's and all other dementia.

Thank you for your support of this year's walk on Maui!

Employee of the Month
Lorna Leano

Congratulations to Lorna Leano for being selected as our November Employee of the Month. Lorna is one of our dedicated Resident Assistants and has been working us for 4 years this month. You will find her working in Maluhia Terrace and Assisted Living when needed.

Lorna works very hard and she genuinely cares about our residents. Her supervisor, Deann Moritz our Enhanced Care Coordinator, shared "She has gone above and beyond for our residents. She comes in when we are (in need) and stays. (Lorna) is very caring with our residents."

When asked what she enjoys about working at Roselani Place, Lorna shared, "I truly love taking care of our residents and making them feel loved, safe and comfortable. Seeing their smiles and knowing I can make a difference in their day means so much to me. She added, "I treat our residents like family and I'm grateful to be a part of the Roselani Place Team and work with such supportive co-workers."

We are happy to see Lorna be recognized for all the compassionate care she gives to our residents every day. We are also very grateful for her hard work all these years and are blessed she is part of our Ohana.

Congratulations Lorna on being our Employee of the Month!
